

WVU Competitive Cheer

Summer Clinic 2024 Price Book

This pricing works around teams of 15 members. As the WVU competitive cheer team, we aim to bring 3-5 athletes to camps of teams this size and more members for larger teams.

Days:

1 Day	5 hours	\$500
2 Days	10 hours	\$1000

** If you want a single day to extend past 5 hours that can be worked out with pricing outside of this basic template just communicate through wvucompcheer@gmail.com or the president, Gracie Heflin at 412-770-5341.

Sizes:

15 members	Prices stated above	
Less than 15	\$10 off per member per day less than 15	1 day (14 members): \$490 2 day (14 members): \$980
Over 15	\$20 extra per member per day	1 day (16 members):\$520 2 day (16 members):\$940

****These prices for more or fewer members are due to having to have more athletes come and work with the team** (there is no limit on the number of members 14 and 16 were just the amounts used for examples)

What we do:

We are willing to help with what you want your team to get better at for these personalized camps. We can help with choreography, chants, stunts, tumbling techniques, and pyramid structures.

These camps are fully customizable. The week before you camp you will be sent a schedule with breakdowns of what we plan to work on and the times it will be happening. These schedules start off pretty basic unless you have previously communicated certain areas of focus. The schedules can be altered as many times as requested.

What we need from you:

- Coach/Contact Info: Name and Cell Phone Number (preferable for communication for days leading to camp)
- Number of members at camp (for final invoice)
- Any areas of focus you would like
- Time/Length of lunch break for camps over 5 hours
